Sex Made Simple

Clinical Strategies for Sexual Issues in Therapy

By Barry McCarthy, PhD, ABPP

Sex Made Simple is a comprehensive guide to healing sexual issues and dysfunctions, with dozens of strategies, techniques and methods to promote healthy sexuality for couples and individuals.

Objectives

1. Compare and contrast healthy and variant sexual desire.
2. Conduct a sexual history with your client.
3. Using a sexual strengths, vulnerabilities and problems assessment tool, develop a treatment plan.
4. Discuss anxiety, depression, PTSD and other mental health factors impacting sexuality.
5. Identify strategies to aid with sexual and emotional recovery from affairs.

Speaker

BARRY W. MCCARTHY, PhD, ABPP, is a board certified clinical psychologist, certified marital and sex therapist, and a tenured professor of psychology at American University. His clinical expertise focused on integrating sex therapy strategies and techniques into individual and couple therapy, assessment and treatment of the most common male and female sexual problems, and a special expertise in the treatment of sexual disorders.

Dr. McCarthy earned his BA from Loyola University and his MA and PhD from Southern Illinois University. His professional memberships include the American Psychological Association, American Association of Marriage and Family Therapy, Society for Sex Therapy and Research, and Association for Behavioral and Cognitive Therapists. He is a Diplomate in sex therapy earning this from the American Association of Sex Educators, Counselors, and Therapists. As a leading expert in this field, Dr. McCarthy has presented over 350 workshops around the world, and his extensive list of publications includes over 100 professional articles, 26 book chapters, and co-authorships of 14 books, including Rekindling Desire (2nd edition), Sexual Awareness (5th edition), Enduring Desire, Discovering Your Couple Sexual Style, Men’s Sexual Health, Coping with Erectile Dysfunction, Getting It Right the First Time, and Coping with Premature Ejaculation.

Rekindling Desire, 2nd Edition

By Barry McCarthy, PhD, ABPP

For over a decade Rekindling Desire has helped to restore and restructure sexuality in thousands of lives. This expanded edition continues the in-depth exploration of inhibited sexual desire and anoreceptive disinterest related to respected therapist Barry McCarthy, who brings decades of knowledge and the expertise that comes from having treated almost 3,000 couples for sexual problems. Composed of supported strategies and exercises that help develop communication and sexual skills, as well as interesting case studies that open doors to couples’ sexual exploration.
