The safety and welfare of the UISPEAKS campers is of primary concern, so it is important that each person complies with the following the camp rules and procedures.

1. Every effort is made to ensure that campers are properly supervised by UISPEAKS staff throughout the daily operational hours of camp, at lunch on or off campus, and during daily recreational activities. It is important that campers understand that their counselors know where they are at all times.

2. Campers are expected to participate in UISPEAKS activities. If a camper is ill and cannot attend camp, the camper’s parent or guardian should contact the Wendell Johnson Speech and Hearing Clinic at 319-335-8736.

3. If a camper becomes ill during camp, parents / guardians will be contacted via cell phone immediately.

4. Campers are supervised during the daily camp classes and activities from 9 AM-4 PM. Any time a camper must leave camp during operational hours, s/he must check out through a clinical faculty supervisor. If campers arrive before 9 AM, it is expected that their parents or guardians will wait with them until camp starts at 9 AM. Campers should be picked up between 3:45-4 PM.

5. In the event of severe weather, students will seek appropriate shelter according to The University of Iowa’s severe weather policy.

6. Leaving the WJSHC without permission, possession / influence of alcohol or drugs, violence, sexual assault, harassment and bullying are strictly forbidden and will result in immediate dismissal from camp without a refund of camp fees.
