LISTEN & SPEAK UP PRESCHOOL

A summer program for children with hearing loss focusing on listening and speaking

Listen and Speak Up combines group and individual therapy through the use of an auditory-oral approach to facilitate communication. Fun, age-appropriate activities to enhance communication skills are provided by graduate student clinicians under the supervision of licensed speech-language pathologists and audiologists. Opportunities for parents to learn techniques for working with their children are held weekly.

Who can attend: Children with hearing loss who are 3 – 6 years of age.

When: Tuesday and Thursday mornings from 9 a.m. – noon, June 15 - July 22, 2021

Where: The Wendell Johnson Speech and Hearing Clinic, University of Iowa, Iowa City

Cost: Fees may depend on the type of hearing device your child uses, and health insurance may cover some or all of the fees. We submit claims to a large number of carriers. A sliding fee scale is available for families who qualify. Questions regarding fees and insurance coverage can be directed to Cleo McConnell at 319.335.8703.

COVID Concerns: Our clinic follows all recommended safety guidelines. Children are encouraged to wear facemasks, and adults must wear facemasks at all times in the building. Additional information regarding current safety recommendations will be shared with families prior to the program’s start.

How to apply: Enrollment is limited! Initial deadline is April 15. Spaces are filled on a first come, first served basis. To obtain a registration form, please contact:
