UI SPEAKS
University of Iowa Summer Program to Educate Adults and Kids Who Stutter
Camp for kids 7-17 year-olds who stutter

What is UI SPEAKS Camp?
A one-week intensive program for children from ages 7–17 who stutter. Smaller groups based on age and interests will be created for group activities.

When is it?
July 27-31, 2020, from 9 a.m. to 4 p.m. There are opportunities for 3 evening activities during the camp.

Where is it held?
The Wendell Johnson Speech and Hearing Clinic at the University of Iowa in Iowa City, Iowa.

What are UI SPEAKS Camp’s goals?
Our over-arching goal is to help campers to:

• Explore what stuttering is, and what it is not
• Become aware of their own unique way of stuttering
• Engage in group settings with others who stutter and learn to talk openly about their speech
• Provide opportunities for speaking in a variety of communication situations
• Make decisions about what changes they would like to make in either speaking or stuttering, or both

UI SPEAKS provides individual and group opportunities for speaking with graduate student clinicians (“speech coaches”) under the supervision of licensed speech-language pathologists. Campers’ families are invited to attend support and review meetings. Collaboration with campers’ school-based and / or private speech-language pathologists is available and encouraged.

How do I find out more?
For more information, or to request an application, contact:
Anu Subramanian, PhD, CCC-SLP
UI Department of Communication Sciences and Disorders
Phone 319.335.8694
Email: anu-subramanian@uiowa.edu

Additional information is available online at http://clas.uiowa.edu/comsci/clinical-services/summer-programs.

The fee for the camp is $275. Fee reductions based on family income are available. Support for travel costs also may be available.

The University of Iowa
Sponsored by the Department of Communication Sciences & Disorders

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact Jennifer Bjornstad in advance at 319.467.1214.
