JOBS IN GEOGRAPHY

KANSAS STATE UNIVERSITY – MANHATTAN, KS
The Department of Geography at Kansas State University invites applications for a VISITING ASSISTANT PROFESSOR / INSTRUCTOR position. Selected candidate will teach three sections of introductory level classes (especially World Regional Geography and/or Human Geography) per semester. Ability to teach other classes including Cartography and/or Physical Geography desirable. Preference given to candidates holding a Ph.D., but ABDs considered. Nine-month contract begins in August 2015. Salary commensurate with experience. Position includes benefits and professional travel allowance.

Submit 1) an application letter describing your qualifications; 2) a curriculum vita; 3) a statement of your teaching philosophy; 4) evidence of teaching excellence (especially in large-enrollment classes); and 5) contact information for three referees. Apply to:

Visiting Assistant Professor Search Committee
Department of Geography
118 Seaton Hall
Kansas State University
Manhattan, KS 66506-2409.

Send material in a single pdf document (no publication reprints) to geog@ksu.edu with the subject line indicating “VAP in Geography.”

The deadline for applications is 6 April 2015. Kansas State University is an EOE of individuals with disabilities and protected veterans. Background check required. Kansas State University is an equal opportunity employer and actively seeks diversity among its employees.

MIAMI UNIVERSITY – OXFORD, OH
Visiting Assistant Professor with research and teaching expertise in geovisualization; including interactive digital and web mapping, applied techniques in GIS, and/or visual analytics. The successful candidate will design and teach a new course in Geovisualization, as well as teach Mapping a Changing World (242), and the introductory Human Geography course (101). The successful candidate is expected to contribute to the newly-proposed Geospatial Analysis Center (GAC) in the Department of Geography. Require: Ph.D. for appointment as Visiting Assistant Professor, ABD status for appointment as Instructor; training and experience appropriate for responsibilities. Desire: Ph.D.; teaching experience.

Submit letter of application, vita, list of three references, evidence of teaching effectiveness, and a sample syllabus for the Geovisualization course (submitted as “other document”) to www.miamijobs.com/applicants/Central?quickFind=54251. Contact phone number is 513-529-5010. For more information about the department consult the web site at www.miamioh.edu/geography. Screening of applications begins April 13 and continues until the position is filled. Miami University, an equal opportunity/affirmative action employer with smoke- and tobacco-free campuses, is committed to a multicultural environment and strongly encourages applications from minorities, females, veterans and individuals with disabilities. Miami’s Annual Security and Fire Safety Report with information on campus crime, fires, and safety may be found at: http://www.MiamiOH.edu/campus-safety/annual-report/index.html. Hard copy available upon request. Employment will require a criminal background check according to University guidelines.

TEMPLE UNIVERSITY – PHILADELPHIA, PA
Temple University's Department of Geography and Urban Studies (GUS) invites applications for two **full-time, non-tenure track Assistant Professor** positions for academic year 2015-2016, with responsibilities for teaching in the areas of 1) nature/society relations and 2) Geographic Information Science. The initial appointment will be for one year only, but may be renewable, pending continued college-level funding and satisfactory performance. GUS (http://www.cla.temple.edu/gus/) offers two interdisciplinary undergraduate majors in Geography and Urban Studies and Environmental Studies with approximately 200 majors. GUS also offers a M.A. and a Ph.D. in Geography and Urban Studies as well as a Masters in GIS.

The positions are teaching intensive. We seek instructors committed to undergraduate education who will be able to teach a combination of introductory and mid-level courses connected with a university-wide general education program and the two majors offered in our department. The successful candidate will be able to teach courses including Sustainable Environments, Digital Mapping, and Fundamentals of GIS. A Ph.D. in Geography or a related field is required by the start of employment.

Please send a letter that addresses teaching and research interests, a copy of your most recent curriculum vitae, evidence of teaching excellence, and contact information for three references to Tycina Cousin, Administrative Coordinator, Department of Geography and Urban Studies, 308 Gladfelter Hall, Temple University (025-27), Philadelphia, PA 19122. Electronic applications are required and should be sent to: tcousin@temple.edu. Review of applications will begin April 1, 2015 and will continue until the position is filled.

Temple University is an Affirmative Action/Equal Opportunity Employer and the University especially encourages applications from women and minorities.

**TEXAS A&M UNIVERSITY – COLLEGE STATION, TX**

The Department of Geography at Texas A&M University invites applications for the three visiting assistant professor positions. Two positions will focus on human geography or human-environment geography. One position will focus on physical geography. Visiting assistant professors will be required to teach two classes during the Fall and Spring semesters. VAPs are expected to publish and conduct research during the time of appointment. Candidates must have a Ph.D. at the time of appointment and a strong commitment to excellence in research and teaching. Appointments are for one year with the potential for a one-year renewal pending adequate funding and job performance.

The Department of Geography has 20 faculty members with strengths in biogeography, climatology, geomorphology, human geography, human-environment relationships, geographic education and GIST (Geographic Information Science and Technology) (http://geography.tamu.edu). We are based in the College of Geosciences (http://geosciences.tamu.edu) with the Departments of Atmospheric Science, Geology & Geophysics, and Oceanography, and play a major role in the Environmental Programs in Geosciences. The College of Geosciences also includes Sea Grant, the Geochemical and Environmental Research Group (GERG), and the Integrated Ocean Drilling Program (IODP). Texas A&M University, a land-, sea-, and space-grant university, is located in a metropolitan area with a dynamic and international community of 175,000 people.

Candidates should submit a letter of application, curriculum vitae, and names and addresses (including e-mail addresses) of three referees to Dr. David Cairns (cairns@tamu.edu), Department Head, Department of Geography, Texas A&M University, College Station, TX, 77843-3147. We will begin reviewing applications on April 15, 2015. Please indicate availability at the Annual Meeting of the AAG in Chicago as we will be interviewing at that time. Texas A&M University is an Affirmative Action/Equal Opportunity Employer committed to excellence through the recruitment and retention of a diverse faculty and student body and compliance with the Americans with Disabilities Act. The University is dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a multicultural environment. We strongly encourage applications from women, underrepresented ethnic groups, veterans, and individuals with disabilities. Texas A&M University also has a policy of being responsive to the needs of dual-career partners (hr.tamu.edu/employment/dual-career.html).
