MIAMI UNIVERSITY – OXFORD, OH
Visiting Assistant Professor with research and teaching expertise in geovisualization; including interactive digital and web mapping, applied techniques in GIS, and/or visual analytics. The successful candidate will design and teach a new course in Geovisualization, as well as teach Mapping a Changing World (242), and the introductory Human Geography course (101). The successful candidate is expected to contribute to the newly-proposed Geospatial Analysis Center (GAC) in the Department of Geography. Require: Ph.D. for appointment as Visiting Assistant Professor, ABD status for appointment as Instructor; training and experience appropriate for responsibilities. Desire: Ph.D.; teaching experience.

Submit letter of application, vita, list of three references, evidence of teaching effectiveness, and a sample syllabus for the Geovisualization course (submitted as “other document”) to www.miamiujobs.com/applicants/Central?quickFind=54251. Contact phone number is 513-529-5010. For more information about the department consult the web site at www.miamioh.edu/geography. Screening of applications begins April 13 and continues until the position is filled. Miami University, an equal opportunity/affirmative action employer with smoke- and tobacco-free campuses, is committed to a multicultural environment and strongly encourages applications from minorities, females, veterans and individuals with disabilities. Miami’s Annual Security and Fire Safety Report with information on campus crime, fires, and safety may be found at: http://www.MiamiOH.edu/campus-safety/annual-report/index.html. Hard copy available upon request. Employment will require a criminal background check according to University guidelines.

NORTHERN ILLINOIS UNIVERSITY – DE KALB, IL
The Department of Geography invites applications for an anticipated Visiting Assistant Professor position. We seek a broadly trained atmospheric scientist with a background in synoptic meteorology/climatology. The successful candidate will contribute to the undergraduate meteorology program and have opportunity to teach a seminar in own specialty. Appointment will be for the 2015-16 academic year, and Ph.D. is required at time of appointment.

Review of applications will begin on May 11, 2015. Preference will be given to applications received prior to that date; however applications will continue to be accepted and reviewed until the position is filled. Submit a letter of application; a curriculum vita; available evidence of teaching experience and teaching quality; publications or examples of writing; and arrange to have at least three letters of reference sent to: VAP-Met Search in care of bvoga@niu.edu.

In compliance with the Illinois Campus Security Act, before an offer of employment is made, the university will conduct a pre-employment background investigation, which includes a criminal background check.

Northern Illinois University’s Department of Geography is interested in and values candidates who have experience working with students from diverse backgrounds. Northern Illinois University is an AA/EEO institution.

TEXAS A&M UNIVERSITY – COLLEGE STATION, TX
The Department of Geography at Texas A&M University invites applications for the three visiting assistant professor positions. Two positions will focus on human geography or human-environment geography. One position will focus on physical geography. Visiting assistant professors will be required to teach two classes during the Fall and Spring semesters. VAPs are expected to publish and conduct research during the time of appointment. Candidates must have a Ph.D. at the time of appointment and a strong commitment to excellence in research and teaching. Appointments are for one year with the potential for a one-year renewal pending adequate funding and job performance.
The Department of Geography has 20 faculty members with strengths in biogeography, climatology, geomorphology, human geography, human-environment relationships, geographic education and GIST (Geographic Information Science and Technology) (http://geography.tamu.edu). We are based in the College of Geosciences (http://geosciences.tamu.edu) with the Departments of Atmospheric Science, Geology & Geophysics, and Oceanography, and play a major role in the Environmental Programs in Geosciences. The College of Geosciences also includes Sea Grant, the Geochemical and Environmental Research Group (GERG), and the Integrated Ocean Drilling Program (IODP). Texas A&M University, a land-, sea-, and space-grant university, is located in a metropolitan area with a dynamic and international community of 175,000 people.

Candidates should submit a letter of application, curriculum vitae, and names and addresses (including e-mail addresses) of three referees to Dr. David Cairns (cairns@tamu.edu), Department Head, Department of Geography, Texas A&M University, College Station, TX, 77843-3147. We will begin reviewing applications on April 15, 2015. Please indicate availability at the Annual Meeting of the AAG in Chicago as we will be interviewing at that time. Texas A&M University is an Affirmative Action/Equal Opportunity Employer committed to excellence through the recruitment and retention of a diverse faculty and student body and compliance with the Americans with Disabilities Act. The University is dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a multicultural environment. We strongly encourage applications from women, underrepresented ethnic groups, veterans, and individuals with disabilities. Texas A&M University also has a policy of being responsive to the needs of dual-career partners (hr.tamu.edu/employment/dual-career.html).

UNIVERSITY OF TOLEDO – TOLEDO, OH

The Department of Geography and Planning at the University of Toledo invites applications for an Assistant Professor (tenure track) position in medical/health geography. Start date is August, 2015 (with option of January 2016). This faculty member will be expected to contribute to the BA Geography, MA Geography and PhD Spatially Integrated Social Sciences programs, and to actively collaborate with colleagues across disciplines. The research specialty and teaching focus will be medical/health geography with special interests in spatial aspects of environmental issues, preferably with a focus on water, including public health, disease and contaminants. Evidence of ability to secure external research grant funding is expected. Experience and ability to teach courses in geographic information sciences, quantitative methods, and medical/health geography topics is required. A Ph.D. in Geography or related field is required; ABD candidates with defense date before January 1, 2016, are welcome to apply.

The department currently has nine full-time faculty members and approximately 50 undergraduate majors and graduate students. The University of Toledo is an Affirmative Action/Equal Opportunity Employer M/F/D/V. Applications from women and members of underrepresented groups are encouraged. Applications must be submitted at https://jobs.utoledo.edu and must include a letter of interest, curriculum vitae, graduate transcripts, writing sample, and evidence of teaching effectiveness. Please arrange to have three letters of recommendation submitted directly to patrick.lawrence@utoledo.edu or if necessary, letters may be sent by mail to Dr. Patrick Lawrence, Chair, Department of Geography and Planning, University of Toledo, MS 140, 2801 Bancroft Street, Toledo, Ohio 43606. Review of applications will begin immediately, but the position will remain open until filled. Questions should be addressed to Dr. Patrick Lawrence, patrick.lawrence@utoledo.edu.
