Spring 2023 Internships Available

RedZone Football Academy is currently accepting applications for the following positions:

**Football Coach** *(2 positions available)*
Term: spring, January 16 – May 5
Fulfillment Requirement: 135 hours
Compensation: This internship is unpaid. A performance bonus of up to $1,000 is available.
Course Credit: This internship is available for UI Sport & Rec Management field experience credit (3 hours)
   *Utilizing the internship for UISRM course credit is preferred but not required*

**Job Description:**
Coaching interns will assist with operation and instruction of a variety of football camps. Work may also include camp planning, developing coaching resources to aid instruction, and capturing camp content for marketing purposes. Ideal applicants should have a strong working knowledge of the sport, be comfortable working with kids, have the ability to give/follow precise instructional details, and be willing to meet high expectations. Work will primarily occur at RedZone facility in North Liberty. Semi-flexible scheduling is available though a large majority of the hours will need to occur during the times we hosting camps.

**Business Development Intern**
Term: spring, January 16 – May 5
Fulfillment Requirement: 135 hours
Compensation: This internship is unpaid. A performance bonus of up to $1,000 is available.
Course Credit: This internship is available for UI Sport & Rec Management field experience credit (3 hours)
   *Utilizing the internship for UISRM course credit is preferred but not required*

**Job Description:**
The Business Development Intern will assist in the analysis of current business metrics and planning for new business development in areas including but not limited to programming, communications, budgeting & financial projections, and marketing. Candidates should have a working knowledge of and interest in sports business, sports trends, and sports marketing. Candidates should have strong communication and tech skills. Work will primarily occur at RedZone facility in North Liberty with flexible scheduling available depending on availability.

To apply, please submit a resume and a cover letter answering the following:
- What position are you applying for & are you seeking to gain course credit for UISRM or other major?
- What personal traits & skills do you possess that will make you the best candidate for this role?
- What are some things that you would hope to learn and take away from this internship?

*Applications submitted via the Handshake website or emailed directly to redzonefbacademy@gmail.com are acceptable. Learn more about RedZone at www.redzoneic.com*
