ABOUT THE ORGANIZATION: The DuPage Pistol Shrimp, named for the “deadliest animal on the planet,” is a 2nd year franchise in the 12 team Prospect League, a collegiate wood bat baseball league comprised of top baseball players from around the country that spans the Midwest from Missouri to West Virginia. We had an outstanding inaugural season in 2019 with one player setting a league record for 10 runs in a game, making it to playoffs and even having a player, Fineas "Fin" Del Bonta-Smith, get drafted by the Colorado Rockies.

The Pistol Shrimp play a 60 game season from May 28 to August 2. Our 30 home games are at Benedictine University in Lisle, Illinois. Pistol Shrimp games are fun, family friendly events. We are in need of awesome interns who would like to gain well rounded experience working for a sports team. Love of baseball is a plus, but not required!
