

Where  
It's Always  
Football Season

## Now Accepting Applications For The Following Internships:

### **Football Coaching Interns** *(3 positions available)*

Term: Spring; January 1 – May 1

Fulfillment Requirement: 135 hours

Stipend: \$500

Course Credit: This internship does qualify for UI Sport & Rec Management field experience credit (3 hours)

*Utilizing the internship for course credit is preferred but not required*

#### Job Description:

Coaching interns will assist with operation and instruction of a variety of football camps. Work may also include camp planning, developing coaching resources to aid instruction, and capturing camp content for marketing purposes. Ideal applicants should have a strong working knowledge of the sport, be comfortable working with kids, have the ability to give/follow precise instructional details, and be willing to meet high expectations. Most work will occur at RedZone facility in North Liberty. Semi-flexible scheduling is available though a large majority of the hours will need to occur during the times we're hosting camps.

### **Marketing & Creative Team Intern**

Term: Spring; January 1 – May 1

Fulfillment Requirement: 135 hours

Stipend: \$500

Course Credit: This internship does qualify for UI Sport & Rec Management field experience credit (3 hours)

*Utilizing the internship for course credit is preferred but not required*

#### Job Description:

Marketing interns will assist in the planning, production, and implementation of RedZone's marketing efforts. Candidates should have a working knowledge of and interest in sports business, sports trends, and sports marketing. Candidates should have strong computer skills, namely email, Excel, Word, & Powerpoint. Ability in experience with graphic design, photo/video editing, photography, and social media will also be sought, in addition to strong communication skills. Flexible scheduling available depending on each candidate's situation.

To apply, please submit a resume and a cover letter answering these 3 questions:

What intern position are you applying for?

What skills do you possess that will make you the best candidate for this role?

Are you seeking this internship to gain course credit for UISRM or for another major?

**Applications submitted via the Handshake website or emailed directly to [redzonefbacademy@gmail.com](mailto:redzonefbacademy@gmail.com) are acceptable.**

**ALL applicants can expect to have an interview scheduled with RedZone.**
