   - Transnational Issues Track
   - Regional Politics & Relationships
   - Conflict & Foreign Policy

E. Math and Statistics Requirement for the B.S. ONLY, 11-13 s.h.
   Choose one set:
   Set 1:
   - MATH:1380 Calculus & Matrix Algebra for Bus
   - STAT:4143 Intro to Statistical Methods
   - STAT:6513 Intermediate Statistical Methods
   Set 2:
   - MATH:1850 Calculus I
   - MATH:1860 Calculus II
   - STAT:4143 Intro to Statistical Methods

Total Hours Required for the International Relations Major:
   B.A. = 37 s.h.
   B.S. = 48 s.h.

Honors in International Relations, additional 3 s.h.
To graduate with honors in International Relations, students must maintain a 3.5 UI GPA and a 3.5 major GPA. Students must complete POLI:4000 Honors Seminar on the Study of Politics in addition to the minimum major requirements. Students graduating with honors will take POLI:4801 Honors IR Senior Seminar instead of POLI:4800 International Relations Senior Seminar, in which they will complete an honors thesis.

Additional Information:
To preserve the interdisciplinary nature of the program, students may only apply up to 12 s.h. of coursework from another major or minor to this major. For more information about the International Relations major go to:
http://clas.uiowa.edu/international-relations/
