To Register: https://wibreastcancer.ejoinme.org/2017-ethical-issues-forum
Fee: $10 / Students: Free / Scholarships available — wbcc@wibreastcancer.org

Dr. Rebecca Dresser, Daniel Noyes Kirby
Professor of Law; Professor of Ethics in Medicine, Washington University.
Dr. Dresser the author of the 2016 book, Silent Partners: Human Subjects and Research Ethics. She teaches law and medical students about legal and ethical issues in end-of-life care, biomedical research, genetics, assisted reproduction and related topics.

Dr. Diana Cates, Professor of Religious Ethics, University of Iowa
Dr. Cates’s research focuses on religious ethics and moral psychology, and on issues of bioethics (especially the ethical implications of genetic science and technology), sexual ethics (including questions of religion, gender, and sexuality), and the ethics of human rights (especially conceptions of the ground of human dignity and the protection of girls and women from sexual violence).

Dr. Ryan Spellecy, Associate Professor of Bioethics and Medical Humanities in the Center for Bioethics and Medical Humanities, in the Institute for Health and Society, Medical College of Wisconsin.
Dr. Spellecy works in the areas of research ethics, informed consent, ethical issues in psychiatry, and community involvement in research.

Dr. Pilar Ossorio, Professor of Law and Bioethics, University of Wisconsin Law School.
Dr. Ossorio's research interests revolve around the protection of research participants, including: governance of large bioscience projects; data sharing in scientific research; and the use of race in biomedical and social science research.

The Wisconsin Breast Cancer Coalition (WBCC) is the premier breast cancer advocacy organization in the state, having organized grass-roots advocates since 1994.
