CLINICAL TEACHING AND CLINICAL PROGRAM DEVELOPMENT

October, 2007 – 2014

FRIENDS day at UI – a day-long conference for children who stutter and their families, cosponsored by FRIENDS (Association of Young People Who Stutter) and held at the UI Wendell Johnson Speech and Hearing Center (October 2007; 2008; 2009; 2010).

FRIENDS day at Heartland AEA – a day-long conference for children who stutter and their families, cosponsored by FRIENDS, Wendell Johnson Speech and Hearing Center, and Heartland Area Education Agency (Johnston, Iowa) in Des Moines, Iowa (October, 2013).

June 1998 – present

Director - UISPEAKS – Yearly week-long summer residential program for teenagers who stutter.

Other Contributions to Instructional Programs

January 2002 – June 2002

Interim Clinic Director – Wendell Johnson Speech and Hearing Clinic

January 2002 – January 2003

Interim MA SLP Outplacement Coordinator – Wendell Johnson Speech and Hearing Center

August 2001 – August 2006

Chair, MA SLP Curriculum Committee – Responsible for coordinating MA SLP curriculum, development and modification of MA courses, course scheduling, advisor training, and student advising.

August 2011 – present

Chair, Ph.D. Studies Committee – Responsible for Ph.D. curricular decisions including admissions and funding recommendations.

Grant Support for Instructional Programs

2012-2013 A Better-Dual Language Future for Iowans: Schools and Radio in Support of Balanced Bilingualism. University of Iowa Provost's Better Futures for Iowans Grant. Co-PI; in collaboration with Dept. of Spanish and Portuguese

2011 University of Iowa Student Success Grant (\$3500). Funding to establish an undergraduate service learning project in collaboration with the Columbus Junction, Iowa schools.

2007-present Fraser Fellow Program, Malcolm Fraser Foundation (\$12,000). Funding for doctoral students with a focus on research training in the area of fluency disorders. Students will enroll in the Department of Speech Pathology and Audiology, University of Iowa. Funding for subsequent years is available upon recommendation of the student's adviser

(Zebrowski).

- 2002-2006 Fraser Fellow Program, Malcolm Fraser Foundation (\$12,000). Funding for doctoral students with a focus on research training in the area of fluency disorders. Students will enroll in the Department of Speech Pathology and Audiology, University of Iowa. Funding for subsequent years is available upon recommendation of the student's adviser (Zebrowski).
- 2000 Malcolm Fraser Foundation (\$10,000). Funding to establish clinic programs and facilities for people who stutter, as well as research in the area of stuttering.
- 1999 Malcolm Fraser Foundation (\$10,000). Funding to establish clinic programs and facilities for people who stutter, as well as research in the area of stuttering
- 1997 Malcolm Fraser Foundation (\$10,000). Funding to establish clinic programs and facilities for people who stutter, as well as research in the area of stuttering.
- 1997 Fraser Fellow Program, Malcolm Fraser Foundation (\$12,000). Funding for one year, for one doctoral student with a focus on research training in the area of fluency disorders. The student will enroll in the Department of Speech Pathology and Audiology, University of Iowa. Funding for subsequent years is available upon recommendation of the student's adviser (Zebrowski).

ADJUNCT FACULTY APPOINTMENTS NATIONAL AND INTERNATIONAL TEACHING

January 2006 – Present

Mentor - ASHA Specialty Recognition in Fluency Disorders; mentoring two licensed speech-language pathologists in the process of acquiring specialty recognition in fluency disorders; involves guided observation and demonstration therapy, and observation of mentees' therapy sessions with clients who stutter

February – May 2006; 2007; 2008, 2009

Adjunct Faculty -, Department of Communication Sciences & Disorders, Gallaudet University, Washington, D.C., taught *HL250; Stuttering Intervention*. Semester long 2 credit graduate course

January 1999 - 2006

Adjunct Faculty - Department of Communication Sciences & Disorders, Syracuse University, Syracuse, New York., taught *CSD525 Introduction to Stuttering*: Week long 3 credit undergrad/grad course,

June 2003, June 2005, June 2007, June 2009

Primary instructor. Stuttering Therapy: Workshop for Specialists. Two-week residential course for speech-language pathologists, sponsored by The Stuttering Foundation, and held at The University of Iowa. Participants from across the U.S. as well as from New Zealand, Belgium, Croatia, Finland, Canada, South Africa, Turkey, Thailand, Russia, Taiwan, Japan, Italy, Argentina, and China.

February 2004, February 2005
