**Student Internship Process**

Although the sequencing of events in the internship process varies among individual students, there are steps that must be accomplished in each of four phases. Students are responsible to achieve each step in a timely manner and to retain a copy of all documents for their personal files.

The following list outlines the steps that include, but are not limited to, each phase of the internship process. For further information on each step the student should see the corresponding section of this Manual.

**Pre-Internship**
- Complete emphasis area foundation and emphasis area elective courses satisfying the requirements and achieve the minimum grade point averages.
- Complete and secure verification of volunteer and paid pre-internship work experiences
