Practicum: College Teaching for TAs [CLAS:5100]!

This 1 s.h. course offers support & guidance for TAs seeking to develop & advance their skills as teachers at the college level. We'll focus on practical pedagogical concerns, including how to structure a course, manage classroom dynamics, develop materials, evaluate student work, & use collaborative learning to create a student-centered classroom.

The course includes an intensive **pre-semester workshop** on Friday, Aug. 18 from 10:30- 3:30, & **class meetings** on Thursdays from 12:30-1:45 for the first 7 weeks of the semester.
