

ARE YOU A TA LOOKING FOR TEACHING SUPPORT?

CHECK OUT COLLEGE TEACHING FOR TAs (CLAS:5100) IN SPRING 2018!

This 1 s.h. course offers guidance for TAs in any field seeking to develop & advance their skills as teachers at the college level. We'll focus on practical pedagogical concerns such as planning & structuring courses, managing classroom dynamics, creating collaborative active-learning experiences, & evaluating student work. The final project is a statement of teaching philosophy. Please join us for this valuable professional development opportunity!

The course includes a pre-semester workshop on Friday, Jan. 12 from 10:30-3:30 & Thursday class meetings (12:30-1:45) for the first 7 weeks of the semester.
