Proposal to reconfigure (and rename) the CLAS Committee on Diversity:

The CLAS Committee on Diversity, Equity, and Inclusion comprises eleven voting members: four representatives selected by the CLAS Faculty Assembly; two representatives selected by the CLAS Staff Council; and five members appointed by the CLAS Dean's Office, including one tenure-track faculty member, one instructional-track faculty member, one undergraduate student, one graduate student, and an associate director from CLAS Academic Programs and Student Development. The Dean or an associate dean designated by the Dean who acts as the College's Director of Diversity shall chair the committee and serve as an ex officio non-voting member. The committee meets on a monthly basis during the academic year and, once a year, provides a report to the Dean and the Faculty Assembly about the state of DEI in the college.
