Faculty may write confidential evaluation and submit to DEO (The College prefers this form), to be appended to the DCG report. (NOTE-- For candidates who have received extension(s) of probationary period chair of DCG must read this paragraph aloud at start of meeting: An extension does not change the normal criteria for a tenurable record, nor does it imply that the faculty member will be held to a standard higher than the one he or she would have had to meet if the tenure decision had been made in the year when it was originally scheduled. Add cc: [candidate] at bottom of report. Confidential evaluations by individual faculty appended to DCG are NOT given to candidate. If candidate writes response to DCG, response is submitted within 5 working days to DEO, who must delay writing his/her recommendation to accommodate that response.

DEO writes own evaluation, addressed to the Dean. A copy of the DEO recommendation is given to the candidate if and only if recommendation is negative. In that case add cc: [candidate] at bottom of DEO recommendation.

If DEO recommendation is negative, candidate may (within 3 working days) ask Dean for redacted PR and may submit response within another 5 working days to Dean, copied to DEO.

DEO transmits AY18-19 Promotion Record to the Office of the Dean VIA E-MAIL (clas-pt@uiowa.edu) by Monday 12/3 for candidates seeking tenure and by Monday 12/10 for promotion of tenured faculty. Keep original copies of documents in the Department and provide 3 paper copies (back to back) to the Dean’s Office. Please also include 1 set of publications/artistic productions for the Dean’s Office.
