**PEACE CORPS INFO SESSION**

In Honor of World AIDS Day
Thursday, December 1st
7:00 PM
1117 UCC

Come and hear what Volunteers are doing in the field to combat HIV/AIDS by a panel of Returned Peace Corps Volunteers!

One of the most serious global threats to public health is the spread of HIV/AIDS. Peace Corps volunteers worldwide teach classes in HIV prevention, educate at-risk populations, and develop community support for children orphaned by AIDS. Other HIV/AIDS awareness projects include encouraging communities to adopt healthy behaviors, training peer educators, and supporting health clinics. Today, 22 percent of Peace Corps volunteers work specifically in the health/HIV sector.

Serving in 77 countries, Peace Corps Volunteers live, learn, and work with a community for 27 months. Attend a Peace Corps Information Session to hear returned volunteers’ stories, see a video highlighting volunteers in service, find out about the application process and the benefits of Peace Corps service, including paid living expenses, full health/dental coverage, graduate school programs with credit/financial assistance, a $7,425 allowance upon completion and valuable international development/cross-cultural skills.
The upcoming third annual UI European Studies Conference will explore such diverse environmental topics as cinematic landscapes and green politics, modernization and ecological awareness in France, and how environmental concerns are portrayed in popular culture. The multidisciplinary "Green Politics II" conference will be Dec. 2 and 3 in Room 315 Phillips Hall on the UI campus. All events are free and open to the public, and no registration is required.

A keynote address titled “European Energy and Environmental Policy in the Lead Up to Rio +20” will be presented by Miranda Schreurs at 1:30 p.m. Saturday, Dec. 3. Schreurs is a professor of comparative politics and director of the Environmental Policy Research Centre at Freie Universität Berlin. Scholarly presentations will be offered from UI faculty members and graduate students in the College of Liberal Arts and Sciences (CLAS). For a complete conference schedule, visit http://international.uiowa.edu/centers/european-studies/events.

Sponsors for the conference include UI International Programs, the European Studies Group, the UI Departments of Cinema and Comparative Literature, German, and French and Italian, and the Division of World Languages, Literatures and Cultures in CLAS.
