Other major(s), minor(s), certificate(s):

Submit an original creative nonfiction essay reflecting some aspect of an international issue as learned through your International Studies B.A. coursework and from your experiential learning activity.

The essay may be produced as part of your required writing courses for Program Option C or may be written outside of a classroom experience.

Minimum length is 5 pages (double-spaced).

Attach this form to your essay and submit it to the International Studies Program after the completion of your second required writing course but before the last day of the semester in which you graduate.
