ABSTRACT (400-600 CHARACTERS **maximum, including spaces**; please use your word processor to count the characters): Write the abstract in third person and in active voice. Using clear and concise language that would be understood easily by a layperson, summarize the activities undertaken as a result of the award. The ideal abstract (a) educates the Regents and legislators about the research by describing the content of the work, (b) gives a sense of the scope of the project, and (c) conveys the importance of the research.
