For fall and spring semesters students pay an Arts and Cultural Events Fee based on hours of enrollment. For full-time students, this fee is $12. For part-time students registered for 0-5 credit hours the fee is $6; for registrations of 6-11 hours, the fee is $9. The refund is based on the number of hours for which students are enrolled at the last drop date for the semester.

This fee supports many cultural events and performances on campus that are free to students. The fee also subsidizes the cost of student admission to any ticketed event produced by the Division of Performing Arts (student ticket prices at these events are set at $5).

Under an agreement with UI Student Government, $2 of the $12 fee may be reimbursed to full-time students; $1 of the $6 fee may be reimbursed to part-time students registered for 0-5 credit hours. $1.50 of the $9.00 fee may be reimbursed to part-time students registered for 6-11 hours. To receive the reimbursement, students must submit this request form to the University Billing Office, 5 Calvin Hall, by Friday Sept 30, 2011. No appeals will be accepted after this date.

Questions should be addressed to the CLAS Academic Programs and Student Development:
Email: clasps@uiowa.edu  Phone: 335-2633 or In Person: 120 Schaeffer Hall

I request that $2 (or $1.50 or $1 for part-time students) of the Arts and Cultural Events Mandatory Student Fee be refunded to me as a credit to my University account. I understand that my request is valid only for the Fall of 2011.
