Fully Licensed Part Time Therapist

Family Resources currently is seeking 2 fully Iowa licensed therapists; 1 at our Davenport location and 1 at our Muscatine location. These therapist provide services to assist clients in managing emotional health care problems by identifying and addressing individual needs. The therapist provides counseling and therapy services to clients that halt, control, or reverse undue stress and social, emotional, or behavioral problems that threaten or have negatively affected the individual’s or family’s stability. Activities can include individual, family, or group services.
Recruiter in the Iowa KidsNew Program

Family Resources is searching for a full-time Recruiter/Licensor in the Iowa KidsNet program that is responsible for the recruitment of foster families to care for children coming into foster care, including completing the initial licensing process for prospective foster families and approval process for prospective adoption families. This entails generating the interest of families who will meet service area priority needs and supporting them through orientation, training, writing and submitting the home study packet, and until they receive their first placement.

The worker in this position is responsible for working with families to complete assigned new home studies for resource, relative and/or adoptive within project timelines. The position requires the individual to become very familiar with family-to-family recruitment strategies and all licensing rules and adoption rules through the Department of Human Services and the Iowa Code.
Behavioral Health Intervention Service Provider/In-Home Therapist

Family Resources is searching for a part-time Behavioral Health Intervention Service (BHIS) Provider/In Home Therapist to deliver skills training/psychosocial rehabilitative skills training to children and their families in order to remediate functional deficits related to and improve child functioning impacted by mental health symptoms. BHIS Providers are responsible for service authorization, planning, delivery, monitoring, and documentation related to remedial services. BHIS Providers are responsible for coordinating remedial services delivery with other service providers/support, including Family Resources' programs, as appropriate and participating in utilization and clinical reviews as assigned for individual clients. BHIS Providers deliver service in community locations, including client homes, as assigned. Work hours are primarily between the hours of 8 a.m. and 8 p.m. including weekends as determined appropriate by the ability to meet with residential and community youth. This position primarily serves Scott County, but with the opportunity to provide services in Muscatine County as needed.
Shelter and Housing Advocate

Family Resources currently is seeking 1 part time, 3rd shift Shelter Advocate and 1 full-time, 1st shift Shelter Advocate. The Sheltering and Housing Advocate will provide housing advocacy and emotional support to all residing in hotels and/or needing sheltering services under the direction of the Sheltering and Housing Services Supervisor. The Sheltering and Housing Advocate will need to have a flexible schedule that will include working days, nights, weekends, and holidays.
Other Violent Crimes Specialist

Family Resources is seeking 2 full time Other Violent Crime (OVC) Specialists that will provide trauma informed, survivor centered comprehensive services to survivors of homicide and other violent crimes to individuals in the communities served (Clinton, Jackson, Scott, Muscatine, Louisa, and Cedar counties) with the leadership of the SOHP Coordinator within the SafePath Survivor Resources Department. The OVC Specialist will participate in the SOHP on call rotation; have reliable transportation, and a flexible schedule to accommodate program and survivor needs.
Survivors of Homicide and Other Violent Crimes Program (SOHP) Coordinator

Family Resources is seeking a full time Survivors of Homicide and Other Violent Crimes Program (SOHP) Coordinator that will provide leadership and oversight to the Survivors of Homicide (SOH) Program and all SOHP staff within the SafePath Survivor Resources Department. General duties will consist of, but are not limited to, program development, supervision of staff, volunteer coordination of the SOHP volunteers, individual advocacy, outreach, awareness, promotion of services, developing community partnerships to increase referrals and assist survivors of homicide and other violent crimes, and systems advocacy. The SOHP Coordinator will actively participate on the SafePath Leadership Team to ensure the unique needs of the SOHP are met in the overall department.
Illinois Sexual Abuse Outreach Advocate

Family Resources is seeking a full time Sexual Abuse Outreach Advocate at our Moline, Illinois office. The Sexual Abuse Outreach Advocate will provide comprehensive sexual abuse services to communities served by SafePath’s Illinois Sexual Abuse Program. Their focus will be twofold: expanding access to services through outreach and awareness to increase survivor identifications and/or referrals for services as well as providing comprehensive sexual abuse services that is culturally specific to the needs of the communities. The Outreach Advocate will provide case management and emotional support to underserved populations as well as reach out to these populations in our community. In addition, the Advocate will provide emotional support and crisis intervention to callers on the 24-hour Rape/Sexual Assault crisis line and respond to out calls as needed.
**Braking Traffik - Bi-lingual Advocate**

Family Resources is seeking a full-time Bi-lingual (Spanish speaking) Advocate for our Braking Traffik Program that will provide comprehensive services to the Spanish speaking population throughout the service area to meet the needs of Spanish speaking survivors as well as the goals of Braking Traffik. Their focus will be on expanding access to services by providing culturally and linguistically appropriate outreach, advocacy, safety planning, and support survivors in the service area. They will ensure that outreach materials and public awareness campaigns targeting the Spanish speaking populations are culturally and linguistically appropriate and meet the unique needs of this population. They will provide outreach and support to non-traditional community partners in order to increase access for survivors and collaborate with other existing services that provide support to this population.
Braking Traffik - Comprehensive Services Coordinator

Family Resources is seeking a full-time Comprehensive Services Coordinator for our Braking Traffik Program that will provide leadership to the survivor services of Braking Traffik as well as collaborate with the Outreach Services Coordinator meeting the goals of increasing survivor identifications, referrals for services and access to services through outreach efforts. They will ensure direct services to survivors by providing short- and long-term trauma-informed and culturally/linguistically appropriate services to promote health, safety and well-being. In addition to supervising the Survivor Advocates and the Bi-lingual Spanish Speaking Survivor Advocate, the Comprehensive Services Coordinator will work with the Outreach Services Coordinator on public awareness and legislative advocacy for all forms of human trafficking.
Braking Traffik – Outreach Advocate

Family Resources is seeking a full-time Outreach Advocate for our Braking Traffik Program that will provide outreach services to the communities served by Braking Traffik. Their focus will be on expanding access to services through outreach and awareness to increase survivor identifications and/or referrals for services. They will provide and promote outreach, training and technical assistance to increase victim identification and expand the availability of services through public outreach and awareness, presentations, website/social media/emails, billboards (campaign during National HT Awareness Month, etc.), outreach to targeted communities such as law enforcement, social services, medical personnel, attorneys, judges, schools, faith groups, transportation industry, manufacturing industry, legislators, youth, refugee resettlement agencies, LGBTQ agencies, etc.
Braking Traffik – Survivor Advocate

Family Resources is seeking a full-time Survivor Advocate for our Braking Traffik Program that will provide comprehensive trauma informed and survivor centered services to survivors of human trafficking (labor and sex trafficking). Under the leadership of the Comprehensive Services Coordinator, they will collaborate with their team to meet the goals of providing quality survivor services, increase survivor identification, increase access to services, and increase referrals. They will provide short- and long-term culturally/linguistically appropriate services to promote the health, safety and well-being of survivors.
Braking Traffik – Volunteer Coordinator

Family Resources is seeking a full-time Volunteer Coordinator for our Braking Traffik Program that will coordinate the volunteer advocate program for Braking Traffik. This includes recruiting, retaining, supervising, and training or coordination of training of volunteers to meet the needs of the Braking Traffik program. They will assist in the development of strategic plan initiatives related to volunteer activities and coordinate outreach efforts to recruit volunteers, and be able to effectively engage prospective volunteers in the work that both meets their desires and the mission of Braking Traffik. They will maintain confidentiality according to agency policy and support the leadership team of Braking Traffik in coordinating training for new employees. The Volunteer Coordinator will be trained and ready to provide direct services, including crisis response, to survivors of human trafficking as needed.
Domestic Abuse Advocate

Family Resources is seeking a full-time Domestic Abuse Advocate that will support and intercede on behalf of victims and survivors of domestic abuse in Scott, Muscatine, Louisa, Clinton, and Jackson Counties. They will provide education, prevention, and outreach programs to schools (preschool through post-secondary), community agencies/organizations/businesses, civic groups, religious groups, and other community partners. They will advocate for the survivor in multiple settings. They will also function as part of the Domestic Abuse Comprehensive Services team, provide crisis intervention services, and adhere to program and agency policies. Bilingual Preferred.
Co-Located DHS Advocate

Family Resources is seeking 2 full-time Co-Located DHS Advocates that will serve as a liaison between the SafePath Survivor Resources Domestic Abuse Comprehensive (DAC) Services and the Department of Human Services (DHS). They will work out of donated office space at the DHS offices, but will be supervised by the SafePath DAC Supervisor and will become a Certified Domestic Abuse Advocate in the state of Iowa through the Iowa Coalition Against Domestic Violence. They will become trained in the Safe and Together Model as well as the Family Team Decision Making model; provide leadership on the Eastern Service Area Connect and Protect (CAP) Team; provide community training and technical assistance regarding domestic abuse and the Safe and Together Model; establish professional working relationships with DHS, Family Safety Risk and Permanency, and Parent Partners to better meet the needs of survivors of domestic abuse involved with DHS and the child welfare system. The Co-Located DHS Advocate will provide consultation, training, and technical assistance to DHS workers who have identified when a client has experienced domestic abuse in order to support the survivor and ensure the Safe and Together Model is upheld. The Advocate will provide information and referrals to the appropriate SafePath services and other community resources as needed (i.e. Legal Advocacy and Therapy).
Engaging Males Advocate

Family Resources is seeking 2 full-time Engaging Males Advocates that will provide outreach, advocacy, and support to male survivors of violent crimes as well as engage other males in providing peer and mentor support and awareness on the role males can play in reducing and ending violence. These duties will be carried out under the leadership of the Elephant Club Coordinator as a part of the SafePath Survivor Resources Department. The Engaging Males Advocate will assist the Elephant Club Coordinator with raising awareness and providing community outreach regarding domestic and sexual violence, teen and dating violence, human trafficking, child abuse, and other violent crimes and how these crimes impact boys and men as victims/survivors as well as how to provide support to boys and men to reduce their trauma as a result of violent crimes. There will be a special focus on males who identify as LGBTQIA, African American, and/or are involved in child welfare services due to these populations being underserved and/or having higher rates of victimization.
