POSITION: Aftercare Therapist I or Therapist II
DEPARTMENT: Clinical Aftercare – Ozanam
Pay Grade: 5/6
Pay Range: $34,058.47 - $51,087.70 / $37,731.44 - $58,483.73
(Starting salary depends on experience and education)

RESPONSIBILITIES: The Aftercare Therapist I-II provides professional therapy services, including individual, group, and family in addition to crisis management as needed. This position is part of a dynamic behavioral health treatment team focused on resolution and healing. The Aftercare Therapist I-II position develops treatment plans by establishing treatment goals with the client as well as determining treatment methodologies. This position is responsible for monitoring progress toward treatment goals by evaluating and adjusting services provided. Assures quality service for clients by enforcing rules, regulations and legal requirements with client as well as documenting events of the therapeutic process in a confidential manner. The Aftercare Therapist I-II maintains agency credibility by establishing working relationships with sponsoring, advisory and related service agencies. Promotes the agency by ensuring an understanding of program services available for clients, publicizing activities and accomplishments as well as adhering to a professional code of ethics. Maintains professional and technical knowledge by participating in workshops, reviewing professional publications and establishing personal networks. Provides a clinical experience for interns by negotiating learning objectives, supervising practice and caseload management, teaching theory and its application, evaluating skills and personal/professional growth as well as ensuring identification with the profession. This position contributes to team effort by consulting with other professionals and accomplishing related results as needed.

QUALIFICATIONS: This position requires a Master’s degree. Professional licensure (e.g. LCSW, LPC) is required. Recent graduates with license pending will be considered. One (1) to three (3) years of experience is required. Must pass background check, physical and drug screening. This position also requires a valid driver’s license and proof of current vehicle insurance.

BENEFITS: Cornerstones of Care offers full-time employees a competitive benefits package, including: medical/dental/vision coverage; prescription coverage; accident insurance; short-term disability; health savings account (HSA); flexible spending account (FSA); paid time off; and retirement (401K). Part-time employees are eligible to participate in the 401k.
