September, 2015

Dear Applicant:

Thank you for your interest in The University of Iowa School of Social Work. Enclosed you will find information and application materials for our undergraduate program in social work. The BA completion program in Social Work began in Des Moines in the fall of 2010. It is ideally suited for students who are completing the 2+2 program at an Iowa community college.

Applicants who have the AA but have not followed the 2+2 guidelines, applicants with an AAS or APS in Human Services, and those with two years of transfer course courses completed at a four year college (including SSW:2222 Introduction to Social Work or transfer-equivalent course) may apply for admission to the program, but may need to complete more than a total of 120 semester hours for the BA degree. It is strongly recommended that applicants complete the world language requirement before applying. The requirement is either four years of the same world language in high school or the fourth level of a single world language at the college level.

The University of Iowa School of Social Work is accredited by the Council on Social Work Education. Admission to the School is selective, so please read the enclosed information very carefully. If you decide to pursue a bachelor's degree in social work, we suggest you discuss the social work profession with a member of the social work faculty. We also strongly suggest you explore what it means to be a social worker through volunteer work.

Applicants are encouraged to discuss their future career plans and interest in the Des Moines program with Christy Thies, Des Moines Program Coordinator, at an information session listed below or by contacting her directly at christy-thies@uiowa.edu or 515-235-4662. Students applying to the program should indicate on the UI online application that they are applying to the Social Work program in Des Moines.

Des Moines BA in Social Work Information Sessions: September 9, October, 14, November 11, December 9, January 13 and 27, February 10, March 9, April 13, May 18 and June 8. All are held from 4-5 pm at the Pappajohn Education Center, 1200 Grand Ave, Des Moines, IA 50309.

The BASW Program in Des Moines is sequenced and begins each fall. Full-time, two-year program students take an average of two courses in social work each semester. Full-time students also enroll in at least six semester hours of additional upper-division courses offered by the UI each semester including summer, to complete the degree in two years. Part-time, three-year program students take an average of one social work course each semester and up to six semester hours of additional upper-division courses each semester, including summer. The social work major courses will be offered in Des Moines in a classroom setting. Other requirements will be offered online or through a combination of classroom and online methods.

There are two steps to the admission process, and you must complete both steps in order for the School to fully consider you for admission. Applications for admission will be accepted anytime and admission will be considered for the next possible semester.
1. Complete and submit The University of Iowa transfer student application available online: [http://www.uiowa.edu/admissions/undergrad/transfer/index.html](http://www.uiowa.edu/admissions/undergrad/transfer/index.html).

   On this online form, you are asked which college you are applying to. Select “College of Liberal Arts and Sciences”. When asked which major field of study, select “Social Work (BA Program in DM)”. It is important that you select this option rather than “Social Work” only (The print version of the application does not provide this option).

   Make sure to complete Step 2 below as well. Do not wait for confirmation of your UI transfer student application to proceed.

2. Complete and submit the Des Moines BA in Social Work application.

   These application materials are available on the School of Social Work web site: [http://clas.uiowa.edu/socialwork/undergraduate-program/admission](http://clas.uiowa.edu/socialwork/undergraduate-program/admission) - select: “BA in Social Work Application (Des Moines)”.

   Applications will be reviewed upon receipt and students will be notified by email of the decision. Upon admission, each student will have a tentative, individualized plan to complete the program, based on their degree audit.

   We are pleased you are considering a degree in social work. If you have any questions concerning application requirements or the application process, please contact Des Moines Program Coordinator Christy Thies: [christy-thies@uiowa.edu](mailto:christy-thies@uiowa.edu), 515-235-4662, or Admissions Director Kate Kemp: [kate-kemp@uiowa.edu](mailto:kate-kemp@uiowa.edu), 319-335-1254, or 319-335-3500 and ask for the School of Social Work.

   Sincerely,
   
   **Motier Haskins**

   Clinical Assistant Professor and BASW Program Director
College of Liberal Arts and Sciences Criteria for Admission:

Applicants to the BA Social Work program must have met the College of Liberal Arts and Sciences (CLAS) requirements and be admitted to CLAS. Students are admitted to the CLAS on the basis of three criteria: completion of a set of high school unit requirements; high school class rank or college transfer grade-point average; and ACT/SAT results or a combination of high school/college records and standardized test scores. These requirements are further explained on the web:
http://www.uiowa.edu/admissions/undergrad/index.html and in the current University of Iowa General Catalog:
http://www.registrar.uiowa.edu/registrar/catalog/liberalartsandsciences/socialwork/ Applicants to the School of Social Work must meet additional criteria detailed below. Due to class size restrictions, not all students who meet the criteria are admitted when the applicant pool is large.

I. School of Social Work Criteria for Selective Admission for BA Social Work

A. Academic qualifications

1. A cumulative GPA of 2.50 (on a 4.0 scale) at the time of admission. Applicants who do not meet the minimum GPA but demonstrate strengths/potential in other areas may be granted consideration for admission on an individual basis.

2. A grade of C or above in SSW:2222 Introduction to Social Work or comparable course taken in another college and approved by the School of Social Work.

B. Application form and personal statement

Completion of a current application form and a comprehensive statement which evidences the applicant's personal qualities and values that are considered essential for the professional practice of social work, including: good intellectual capacity and analytical skills combined with an ability to work constructively with others; good communication skills, judgment, adaptability, sense of responsibility, resourcefulness, caring and compassionate qualities; and a personal commitment to social justice, empowering individuals, and serving underrepresented groups. Applicants' willingness and interest in addressing social justice issues that affect human beings as a consequence of oppression, poverty, marginalization and alienation because of the intersection of multiple factors, including those identified by CSWE: class, color, culture, disability, ethnicity, gender identity and expression, immigration status, political ideology, race, sex, sexual orientation, and religious, non-religious or spiritual beliefs is fundamental to a successful experience in the School. These qualities are to be evidenced in the application.

This Personal Statement is a significant part of the application materials. This document should be approximately 5 pages (double-spaced) and must be typed. Note that your Personal Statement itself will be used to evaluate your written communication ability. The Personal Statement should address the following qualities and competencies:

PART I:

- A discussion of how paid, volunteer, and life experiences relevant to social work have influenced the applicant's decision to pursue or continue a career in social work at the B.A. level.
- A description of any experience relative to working with those different from the applicant in background or other characteristics and any experience relative to problems of economically and socially disadvantaged, marginalized or oppressed people.
- Discussion of how these experiences demonstrate that your personal values are congruent with the Social Work Code of Ethics*. Code of Ethics may be found online: www.socialworkers.org/pubs/Code/code.asp

PART II:

- Discussion of the applicant's motivation for, expectations regarding, and commitment to the social work program at The University of Iowa. Discuss any factors which have assisted toward the decision to enter or continue in the field of Social Work, and any experiences which the applicant believes will be helpful as a student in Social Work, including: 1) employment; 2) education; 3) special interests; 4) family influences; 5) volunteer service, and/or other.
• Identification of particular assets that the applicant would bring to the School and to the profession, as well as areas in which the applicant would most like to grow academically and professionally.
• Description of the applicant's plan for achieving and maintaining academic success in the social work program, including identifying the resources the applicant will draw upon to do so. Consider such resources as: personal, professional, academic, financial.
• Discussion of the applicant's readiness to undertake study toward a professional degree and anticipated satisfaction or challenges with regard to the choice of the social work profession.
• Identification of short and long term goals as a professional social worker.

C. The accuracy and quality of writing in this statement will be evaluated as evidence of the Candidate’s potential for professional written communication.

D. Applications for admission will be accepted anytime, and admission will be considered for the next possible semester.

II. Who Can Apply

Applicants for the Social Work major may include Social Work Interest majors, students transferring from other majors such as sociology or psychology, or students transferring from other institutions. All applicants must complete the BA Social Work application (described above) which is reviewed by members of the admissions panel. Transfer students who have completed the Introduction to Social Work course, or equivalent course at another institution, are required to submit a completed reference form from that course instructor. No other references will be accepted. Applicants who are not accepted on their first attempt may apply the following year. There is a maximum of two attempts to apply to the BA program.

Social Work Interest Majors

Students interested in applying to the School of Social Work may declare 42P (Social Work Interest) through the University's Academic Programs Office at any point during the first 3 years in their academic program but usually when sufficient time remains to complete the program within the normal four year schedule. Students who have earned more than 72 hours are not permitted to declare 42P. The pre-major declaration qualifies them to be advised by Social Work faculty (once they have at least sophomore standing) and to participate in the Student Association and other activities of the School, but they are not permitted to register for required social work major courses. (Freshman students are advised by The Academic Counseling Center. The BA Program Director and/or Program Administrator confer with these advisors upon request and meet annually with the advising staff to provide updates on social work requirements.) The student will remain a Social Work Interest major until formal admission to the BA Social Work major or until they exceed 72 hours when they must declare another major to register for classes. Students are expected to enroll in SSW:2222 Intro to Social Work and apply to the major in their sophomore year. Juniors are permitted to apply and if they do so, it is with the expectation that at least one additional summer semester of coursework will be necessary to complete all of the requirements of the major, due, in part, to the sequencing of social work courses.

Transfer students

Transfer students should follow the admissions process delineated above. If the transfer student has taken the introductory social work course at another institution, the student shall obtain a completed reference form from the social work instructor or another instructor from that institution in an allied field (i.e. human services, psychology, sociology). Submit completed references by fax: 515-235-4667, email: christy-thies@uiowa.edu or mail/delivery: Christy Thies, University of Iowa School of Social Work, John and Mary Pappajohn Education Center, 1200 Grand Ave, Suite 130, Des Moines, IA 50309

Upon admission to the College of Liberal Arts and Sciences, transfer students’ transcripts are evaluated by Undergraduate Admissions and the Registrars’ Office and the student is informed of their remaining general educational requirements by the University's Office of Admissions Degree Evaluation form. Transfer students who have taken an equivalent introductory social work course elsewhere may apply to be reviewed for admission during the annual review period. Previously earned credits which may apply to the major are evaluated by the Undergraduate Program Director on a case-by-case basis for applicability to the Social Work major. Generally, courses earned more than 10 years ago will not be accepted. Transfer students are expected to present a transcript and syllabi of courses for which they are requesting social work course requirement equivalency or waiver. The BA Program Director or Program Administrator meets individually with each student to determine if equivalent course content has been covered. A plan is developed, based upon this review and filed for the student and student's advisor's information. In the case of social work courses, only courses earned in a CSWE accredited program are
considered equivalent, except for the Intro to Social Work course. If sufficient similar course content has been covered, an individual study may be designed or waiver granted but the hours must be taken in social work.

III. Admission Decisions
The applicant will be notified prior to the early registration period in the spring of acceptance or non-acceptance. Decisions regarding applicants who are currently enrolled in but have not yet completed the introductory social work course, or for applicants who do not meet the minimum GPA, may be delayed until the spring semester’s grades have been submitted. Effort is made to assure representation of persons underrepresented in social work practice and from a diversity of social, cultural, and economic groups. Diversity includes, but is not limited to, gender, ethnicity, age, religion, sexual orientation, ability, and socioeconomic class.

IV. Records
All admission materials will be retained until the student graduates, at which time they will be destroyed. All materials submitted by a non-accepted student will be retained for two years.

V. Review Procedures
The admission criteria, policies, and procedures are reviewed annually by the Program Administrator. Major changes in policies or procedures are reviewed by the Admissions Committee and reported to the Faculty of the Whole. Questions regarding the Undergraduate Admissions Policy should be directed to the Program Administrator, Kate Kemp, 319-335-1254, or email: kate-kemp@uiowa.edu.
Please read the BA Admissions Policy and Guidelines for Application before completing this form

WRITING YOUR PERSONAL STATEMENT

Applicants must provide evidence of a combination of personal qualities and values that are considered essential for the professional practice of social work: good intellectual capacity and analytical skills combined with an ability to work constructively with others; good communication skills, judgment, adaptability, sense of responsibility, resourcefulness, caring and compassionate qualities; and a personal commitment to social justice, empowering individuals, and serving under-represented groups. See I-B in Admissions Policy Statement.

Evidence of this combination of personal qualities and professional experience should be demonstrated through your Personal Statement. This Personal Statement is a significant part of the application materials. This document should be approximately 5 pages (double-spaced) and must be typed. Note that your Personal Statement itself will be used to evaluate your written communication ability. Your Personal Statement should address the following qualities and competencies:

PART I:
• Discuss how paid, volunteer, and life experiences relevant to social work have influenced your decision to pursue or continue a career in social work at the B.A. level.
• Describe any experience relative to working with those different from you in background or other characteristics and any experience relative to problems of economically and socially disadvantaged, marginalized or oppressed people.
• Discuss how these experiences demonstrate that your personal values are congruent with the Social Work Code of Ethics.*
*Code of Ethics may be found online: www.socialworkers.org/pubs/Code/code.asp

PART II:
• Discuss your motivation for, expectations regarding, and commitment to the social work program at The University of Iowa. Discuss any factors which have assisted toward the decision to enter or continue in the field of Social Work, and any experiences which you believe will be helpful as a student in Social Work, including: 1) employment, 2) education, 3) special interests, 4) family influences, 5) volunteer service, or other.
• Identify particular assets that you would bring to the School and to the profession, as well as areas in which you would most like to grow academically and professionally.
• Describe your plan for achieving and maintaining academic success in the social work program, including identifying the resources the applicant will draw upon to do so. Consider such resources as: personal, professional, academic, financial.
• Discuss your readiness to undertake study toward a professional degree and anticipated satisfaction or challenges with regard to the choice of the social work profession.

Goals of the BA Program
The BA program prepares undergraduate students to function as active and informed citizens with a liberal arts perspective. It advances their careers in social work practice by preparing them for:

- Beginning professional social work practice as generalists
- Graduate study in social work or allied professions

The goals of the program are to prepare students for employment in public and private social services in home and community-based settings such as public welfare, child welfare, health, mental health, elderly services, and corrections; to prepare students for informed community participation in social welfare issues; and to provide a base for graduate study in social work or allied professions. The resources of the University, including its faculty, challenge students to excel academically, think analytically, and apply theory to practice, thus enhancing their readiness for continued education at the graduate level.

The BA Program has a strong base in the values and ethics of the social work profession and has a strong liberal arts focus. The research mission of the University exposes students to faculty research and to analytic and scientific ways of thinking. The School's position in the University strengthens its liberal arts focus by drawing not only on the social work curriculum, but also on the interdisciplinary resources of the University and the College of Liberal Arts and Sciences. BA students must complete the general education requirements which help them to develop the knowledge, attitudes, ways of thinking, and means of communication that are characteristic of a broadly educated person. As they complete these requirements, students gain an understanding of their own cultural heritage in the context of other cultures and an introduction to expressions of culture such as art, literature, science, history, and philosophy. They are exposed to the methods and limitations of various systems of inquiry, and are encouraged to develop critical thinking skills. Students' knowledge of social, psychological, and biological determinants of human behavior and of diverse cultures, social conditions, and social problems are developed through a required course in human biology and through three required courses in the social sciences: psychology, sociology, and political science. The Program is accredited by the Council on Social Work Education.

Admission to the Social Work Major
The School of Social Work endeavors to maintain a heterogeneous student body by enrolling students who represent diverse backgrounds and cultural perspectives. A limited number of students are admitted to the major each year. The application deadline is February 15. Admission to the program requires: 1) Completion of SSW:1022 Social Justice and Social Welfare in the United States with a grade of C or higher in the first or sophomore year; 2) a cumulative GPA of 2.50 (on a 4.0 scale) at the time of admission. Applicants who do not meet the minimum GPA but demonstrate strengths/potential in other areas may be granted consideration for admission on an individual basis. 3) Completion of an application form and a comprehensive statement, received by the deadline February 15th, prior to the fall semester for which the student is applying.

For transfer students, all of the above is required, except that substitution of SSW:1022 is permitted with a grade of C or above in a course approved by the department, such as Intro to Social Work or Intro to Human Services. Those who have completed the equivalent of Intro to Social Work at another institution must also submit a completed recommendation form and transcripts. Recommendations and letters of reference will otherwise not be accepted. The School of Social Work Criteria for Selective Admission for BA Social Work is detailed in the BA Social Work Admissions Policy Statement and Guidelines for Application.

The Curriculum
The Bachelor of Arts with a major in social work requires a minimum of 120 s.h., including at least 60-64 s.h. of work for the major (a minimum of 35-38 s.h. in social work courses, 13-14 s.h. in cognate areas, 6 s.h. in one other department or in social work courses, and 6 s.h. in social work electives). Students in the major must maintain a g.p.a. of at least 2.00 in all courses for the major and in all UI courses. They also must complete the College of Liberal Arts and Sciences General Education Program.

Students must complete SSW:1022 Social Justice and Social Welfare in the United States (3 s.h.) to be admitted to the major and before enrolling in the remaining social work courses required for the major. Social Justice and Social Welfare in the United States (SSW:1022) also fulfills the General Education Program's Values, Society, and Diversity requirement. A transfer student may be given approval by the department to substitute this requirement if they have completed an introduction to social work or introduction to human services course at another institution or the UI Guided Independent Study section SSW:2222.0EXZ Introduction to Social Work, however the transfer course would not fulfill the GE requirement. If transferring the course from another institution, the student may be able to reduce the social work credit required for the major by 3 s.h.

Many students use the major's required course BIOL:1140 Human Biology as partial fulfillment of the General Education Program's Natural Sciences requirement.

The major in social work requires the following:
SOCIAL WORK COURSES:

All of these:
- SSW:1022 SOCIAL JUSTICE AND SOCIAL WELFARE IN THE UNITED STATES 3 S.H.
- SSW:3840 HUMAN BEHAVIOR IN THE SOCIAL ENVIRONMENT 4 S.H.
- SSW:3841 FUNDAMENTALS OF SOCIAL WORK PRACTICE 3 S.H.
- SSW:3842 INTERPERSONAL SKILLS LABORATORY 2 S.H.
- SSW:3844 INTRODUCTION TO SOCIAL WORK RESEARCH 4 S.H.
- SSW:3845 SOCIAL WORK PROCESSES 4 S.H.
- SSW:3847 DISCRIMINATION, OPPRESSION, AND DIVERSITY 3 S.H.
- SSW:4189 FIELD EXPERIENCE SEMINAR 1 S.H.
- SSW:4193 FIELD EXPERIENCE 8-11 S.H.
- SSW:4843 SOCIAL WELFARE POLICY AND PRACTICE 3 S.H.

REQUIRED ELECTIVES
Students must complete a minimum of 6 s.h. of social work electives and 6 s.h. of courses in one other discipline or they can select additional course work in social work. If they opt to complete 6 s.h. from another discipline, students typically select courses in areas closely related to social work, such as anthropology, political science, psychology, sociology, and gender, women's and sexuality studies. Students who are working on a minor or a certificate may apply up to 6 s.h. toward this requirement.

These:
- Social work electives 6 s.h.
- Electives in another discipline related to social work 6 s.h.

Or this:
- Social work electives 12 s.h.

COGNATE AREAS

Natural and social sciences—all of these:
- BIOL:1140 (002:021) HUMAN BIOLOGY 4 s.h.
- POLI:1100 (030:001) Intro to American Politics 3 s.h.
- PSY:1001 (031:001) Elementary Psychology 3 s.h.
- SOC:1010 (034:001) Introduction to Sociology 3-4 s.h.

Recommended Course Sequences

The school recommends that students apply in their sophomore year and begin the required courses in the Third Year. Required courses are to be taken in the following sequence. Most social work courses are offered only once each year. Social Work electives may be taken in any semester after completion of SSW:1022.

6 s.h. in social work electives may be taken prior to admission to the major.
6 s.h. in another discipline (or additional social work electives) may be taken prior to admission to the major.

Also recommend completing foreign language requirement during the first two years of coursework and prior to transferring to the UI.

Students accepted into the two-year program will follow the social work sequence of courses below. The number and type of Gen Ed/co-requisite courses to be completed depend upon the requirements remaining for each student to complete the degree.

Students accepted into the three-year program will follow the social work sequence of courses below. The number and type of Gen Ed/co-requisite courses to be completed depend upon the requirements remaining for each student to complete the degree.

**Four-Year Graduation Plan**

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the University's four-year graduation plan. (Courses in the major are those required to complete the major; they may be offered by departments other than the major department). Admission to the School of Social Work is by application; the four-year graduation plan does not apply to students who are not admitted by their fifth semester.

**Before the third semester** begins: at least one-quarter of the semester hours required for graduation.

**Before the fifth semester** begins: SSW:1022, four courses that can be applied to the major (may include concentration area), admission to the major, and at least one-half of the semester hours required for graduation.

**Before the seventh semester** begins: six more courses in the major and at least three-quarters of the semester hours required for graduation.

**Before the eighth semester** begins: four or five more courses in the major and finalized field placement. During the eighth semester: enrollment in all remaining course work in the major, all remaining General Education courses, and a sufficient number of semester hours to graduate.

**Honors**

The School of Social Work has an honors program leading to a Bachelor of Arts with honors in social work. A cumulative grade-point average of at least 3.33 is required for participation in the program, which enables students to do in-depth study in subjects that interest them.

**Minor**

A minor in social work requires a minimum of 15 s.h. in social work courses, including 12 s.h. in courses numbered 3000 or above taken at The University of Iowa. Students must maintain a g.p.a. of at least 2.00 in all courses for the minor. Course work for the minor may not be taken
pass/non-pass. The minor requires that students take SSW:1022 Social Justice and Welfare in the United States or SSW:2222:0EXZ (042:022) Introduction to Social Work (or for transfer students, an equivalent course from another institution approved by the department). Required social work courses are not available to students who are not admitted to the social work program, with the exception of two courses: SSW:3840 EXW Human Behavior in the Social Environment and SSW: 4843 EXZ Social Welfare Policy and Practice. Consult the School of Social Work website for guidelines for minor course selection or call 319-335-1250.
Tips for Writing the “Personal Statement” of Your BASW Application

1. Address all Components of Parts I and II. The Personal Statement has two parts. Each part can be broken into several areas that you need to discuss. Make sure you fully discuss each part.

2. Balance the Personal with the Professional. For example, it is appropriate to discuss personal challenges that you have experienced. However, these challenges should be used, for example, to demonstrate how they increased your knowledge or skills, or as a basis for understanding your motivation and commitment to the Social Work program and profession.

3. In thinking about your life experiences and attitudes that have shaped your interest in the Social Work profession (Part I), you might consider such questions as:
   - Who has most influenced my choice of the profession? How did they influence my choice?
   - What life events, both positive and negative, have influenced my choice of the profession? What did I learn from these experiences?
   - How have my experiences with persons who are different from me (by color, gender, sexual orientation, age, belief systems, etc) influenced my choice of the profession?
   - How have my paid or volunteer experiences influenced my choice of the profession? What important lessons about a choice of Social Work as a career did I learn from these experiences?
   - Using the Code of Ethics of the National Association of Social Workers and its Preamble (provided at their website http://www.socialworkers.org/pubs/Code/code.asp), how are your values consistent with the Code? Avoid simply stating that “my values are consistent with the Code of Ethics”…tell the readers HOW they are reflected in your experiences or world-view and choice of the profession.

4. In thinking about material that you might include in Part II of the Personal Statement, consider such questions as:
   - Why am I applying to the University of Iowa School of Social Work instead of many other programs in Social Work? What “fit” do I think I have with the BASW program at Iowa? (Consider looking at the School’s website if you don’t feel adequate in addressing this question: http://clas.uiowa.edu/socialwork/).
   - What are my strengths and in what areas do I hope to grow as a student in this Program?
   - What issues or experiences have I experienced (or are currently experiencing) that may affect my choice of the profession and/or ability to complete the degree requirements?
   - What are my short term and long term goals as a professional social worker? Do I have special interests in working with a particular problem (such as homelessness, violence, substance abuse, etc) or with a particular population (youth, the elderly, etc.)? How do these interests influence my choice of goals?

5. Because of the page limit of the Personal Statement, (approximately 5 pages, double-spaced), be selective in the material you present. Obviously you cannot respond to every question posed in #3 and #4; they are questions to ponder as you reflect on what material you will write about to satisfy Part I and Part II of the Personal Statement.

6. No Bad Grammar Please. The Personal Statement will be used to evaluate your written communication skill. Make sure your grammar and spelling are correct. Use topic sentences to begin paragraphs. If you have difficulty with your writing skills, get help from a Writing Lab on-campus. These skills are important not only in writing your Personal Statement: they will be invaluable as you write papers for your Social Work courses and as you write reports in the future as a professional Social Worker.

7. Get feedback. Ask someone to read the criteria for the Personal Statement, read your personal statement, and give you critical feedback about its organization and content. Because members of the Admission Committee cannot read and give you feedback about your Personal Statement in advance of your submitting it, other possible feedback might be obtained from other social workers with whom you might have contact in your volunteer placement etc.

8. Do not wait until the night before it’s due to write this essay! Give yourself time to reflect on the point you want to make. Seek information that you need from books, websites, etc. Write a draft. Sleep on it. Re-write the draft as a polished product. Get feedback. Re-write as necessary to improve the organization or content of the paper.
