Position:
Full-time or part-time Behavioral Health Therapist to provide outpatient mental health counseling and psychotherapy services to a broad range of clients.

Location:
Current openings are available in our Chariton, Corydon, Leon, and Osceola offices.

Required Qualifications:
- Master’s degree in a behavioral health field from an accredited institution.
- Iowa licensure in good standing (or license eligible) LMHC, t-LMHC, LISW, LMSW, LMFT, or t-LMFT.
- We are looking for someone who is motivated, professional, dependable, competent, autonomous, ethical, efficient, composed, personable, cheerful, and familiar with electronic health records.

Experience:
All qualified applicants will be considered, including temporarily licensed and early career professionals. Preference will be given to those with relevant clinical experience, training in evidence-based practices for a variety of clinical presentations, and willingness to work with the full age range of clients.

Benefits:
- Flexible work schedules (3, 4, or 5-day work week options).
- Competitive salary and a productivity-based incentive package for highly motivated employees.
- 80 hours paid vacation, 72 hours paid sick leave, and 7 paid holidays annually.
- Medical (BCBS) and dental/vision (Delta) coverage through the company’s employee benefit plan.
- Up to 4% match (dollar for dollar) for our 401k plan after 1 year of employment.
- Allocation of $1,000 CEU funding per year, with 40 hours paid annually to pursue desired training.
- In-house professional development seminars offered periodically throughout the year, CEUs available.
- Supervision toward independent licensure is available at no cost to temporarily licensed employees.
- Sign-on bonuses are available for well-qualified applicants and those relocating to southern Iowa.
- Eligibility for the National Health Service Corps student loan repayment program.
- Eligibility for the Iowa PRIMECARRE student loan repayment program.

Join CHCSI’s growing interdisciplinary team of behavioral health providers, comprised of nearly 30 substance abuse counselors, therapists, social workers, psychologists, psychiatric nurse practitioners, and psychiatrists.
