Capstone Behavioral Healthcare in Grinnell and Newton is seeking a full time or part-time therapist (LMHC, LISW, MSW, PhD, PsyD) to join our well-established and rapidly expanding agency in Central Iowa. Therapists provide outpatient intake/evaluation and treatment. Capstone is a multi-disciplinary agency with offices in Newton and Grinnell. Our team includes medical, therapy, psychological, residential, and community support service staff. Therapists collaborate with other team members and community providers to provide quality care to our clients.

Qualifications:

- Completion of degree appropriate to field required.
- Licensure in State of Iowa or active pursuit of licensure requirements.
- Previous experience in mental health field preferred
- Excellent written & verbal communications skills required

Requirements and Competencies:

- Provides intake/evaluation services as member of multi-disciplinary team
- Provides therapy to assigned clients and walk-in emergencies
- Serves as member of multi-disciplinary team
- Adheres to their professions code of ethics as a guide to ethical decision making

Some of the great benefits include a collaborative and supportive team, paid holidays and time off, and health insurance. Capstone is also an approved site in the National Health Service Corp Loan Repayment program. Interested parties should send a curriculum vitae and cover letter to amandaj@capstonebh.com. You may also call our clinical director Amanda Johnson, PhD or Executive Director Julie Smith at 641-792-4012 with any questions.
