Explore Foster Parenting on March 7

Are you open-minded, patient, caring and a great team player? You could be a great foster parent, and youth in our community need you!

Join Iowa KidsNet for an opportunity to learn more about foster care and the need for foster families in our community. You’ll also have a chance to talk with area foster parents about their experiences.

In 2014, Iowa KidsNet received 54 referrals of children needing a foster home in Johnson County. There is an urgent and ongoing need for more families who can keep sibling groups together in the same home and for families who can foster teens.

Request Child Care
This information session is for adults only. We will have child care available - in the play areas of the museum! - but on a limited first come, first serve basis. Please contact us in advance to reserve child care.

Questions?
Please contact Ashley Hart at ahart@fouroaks.org or 319.784.2144.
