SEEKING EXECUTIVE DIRECTOR: Well-established social services agency in Rock Island, Illinois, seeks Executive Director. DeLaCerda House, Inc., has provided housing and compassionate, intensive case management for people living with HIV and special medical needs since 1996. Agency seeks skilled individual prepared to lead this agency. Bachelor’s Degree preferred with knowledge of Quickbooks, basic accounting, grant writing, case management and trauma-informed care. Critical skills are the management of grants; compassionate and confidential case management of clients with significant needs; background and training in mental health diagnoses; substantial knowledge of local community resources, social services and referral procedures; ability to conduct outreach efforts to identify clients in need of HIV/housing services. A sizable portion of the agency’s budget comes from grants with HUD so familiarity with section 8 vouchers and Housing and Urban Development grants is a benefit. Additionally, candidates should feel comfortable partnering with agencies and community groups in order to facilitate outreach and education about housing and its well-documented and researched positive effect on health outcomes for those living with HIV/AIDS. Our agency is small and vibrant and offers candidates a competitive salary and the chance to lead, develop services, conduct research and blend micro and macro social work due to the need to work closely with clients as well as to advocate state and federal agencies for social justice and resources for those living with HIV/AIDS. Please send resume and cover letter to Mary@delacerdahouseinc.org. Position is open until filled.
