Seeking a change in career or professional/personal clarity?

Are you a leader?

Looking to make a difference in your community?

If this is you, or you know someone that is looking for this, then **Public Allies Iowa AmeriCorps** is the program to be a part of!

Serving at a grassroots level in a capacity building position with a local nonprofit, you will interact with other leaders in a 10 month immersive learning apprenticeship program. Public Allies Iowa AmeriCorps is a program open to individuals with all levels of education, abilities, backgrounds and experiences. We believe that you are a leader and will succeed in making a difference in yourself, others and your community.

**Requirements are:**
- 17yrs of age or older
- U.S. Citizen
- have a high school diploma or GED

**What you get:**
- living stipend of $1,400/month
- basic insurance package
- $5,550 Education Award (at the completion of the program) - used to continue your education or to pay off student loans
- access to an expansive alumni network (800,000+ individuals)
- leadership development training
- challenged to think outside the box
- hands on professional experience to add to your resume
