HOW CAN I BECOME A HOST HOMES MENTOR?

To become a mentor, you must:

- Be 21 or older
- Own or rent a home, apartment, single-family home, or trailer
- Be able to provide a private bedroom for the individual
- Be available with a flexible schedule to provide oversight and supervision

Each person in your home over the age of 18 must be able and willing to go through a thorough screening process.

We ensure each Host Homes mentor is comfortable with the individual placed in their care. We’ll also get to know you and your home to match you with the right mentee for your family.

LSI will help you cover required trainings like:

- Positive Behavior Supports
- Medication Administration
- HIPAA
- Health and Safety Awareness

No previous experience is necessary, and our Host Homes care coordinator is there to support you every step of the way.

Contact us to get started.
