LISW | Full-Time | Multiple Locations

Under LISW listing

People are amazing. They are much more than a diagnosis, our ten o’clock appointment, or a label on a bill. They are wonderfully important people with names, needs and feelings. We believe that true wellness is much more than physical well-being. We’re committed to providing solutions that address all areas of health, including mental health. UnityPoint Health is on a journey to transform healthcare. We are looking for talented professionals to join us that share our passion for providing the best outcome for every patient every time. We have behavioral health therapist opportunities in our locations in Cedar Rapids and surrounding areas including Hiawatha, Iowa City, Vinton, and Manchester. Our care continuum has a variety of exciting practice settings including outpatient mental health clinics, school based services, integrated behavioral health within our primary care medical clinics, and a private practice clinic.

Qualified candidates are required to possess a Master’s Degree in Social Work or related field and professional licensure in Iowa. Independent level of licensure - LISW preferred. We offer competitive wages and an excellent benefits package. Some of the special and unique benefits of joining our team include:

- Access to evidence based training and certifications at no cost to you. Examples of trainings have included: Play Therapy training and certification as a Registered Play Therapist, Parent Child Interaction Therapy (PCIT), Eye Movement Desensitization and Reprocessing (EMDR), Trauma Focused Cognitive Behavioral Therapy (TF-CBT), Cognitive Behavioral Therapy (CBT), Dialectical Behavior Therapy (DBT), Acceptance and Commitment Therapy (ACT), among many others.
- Opportunities to enrich your practice with leadership. We want to help you grow your career to be a resource for our community within your area of specialty, providing presentations to the community, and or providing teaching to other therapists.
- For independently licensed practitioners, there is the opportunity to work part of the time in our private practice setting and still receive benefits while working in our Mental Health Center or Outpatient Clinic settings. This has an estimated combined annual earning potential of up to $75,000, plus additional benefits.

We are also offering a $1,000 sign on bonus, which will be awarded to new therapists after the first 90 days.
