The therapist position we have open is for a full time position at Mahaska Health Partnership, Behavioral Health Services. Preference for this position is for a mental health therapist who works with kids, can work with older clients as well, but definitely needs to be willing to see kids. If the therapist has interest in pursuing or is already trained in providing substance abuse counseling, that is a possibility as well since we provide mental health and substance abuse treatment at Behavioral Health Services, MHP. Benefits are health insurance, IPERS retirement plan, PTO (is a bank of sick, vacation and personal time), positive teamwork atmosphere, many learning opportunities, On site licensure supervision for LMSW and LMHC, on site supervision for play therapy, and consultation for therapist trained in EDMR. If you ask any of the staff here, they would tell you they love working here.

If anyone is interested they can contact me at sclaussen@mahaskahealth.org, or Jan LeBahn, or director, at jlebahn@mahaskahealth.org

Thanks!!!

Shanon Claussen, LISW, RPT-S
Clinical Supervisor
