Clinician - Licensed Clinical Social Worker (LCSW) - Deaf Services Maine Behavioral Healthcare Portland, ME

Full-Time, Days

Maine Behavioral Healthcare is seeking a Clinician for Deaf Services in Portland. This is a specialized counseling position that requires knowledge and understanding of mental health and deafness/hearing loss. This position will service clients state-wide. The Clinician has comprehensive clinical responsibility for the clients assigned to them. These clinical duties shall be directed toward the achievement of excellence in client care and will include: conducting and documenting individual and family psychosocial assessments; documenting the findings of evaluations and progress in clients' medical record; conducting and documenting family and/or couples treatment of clients and their families; maintaining contact with community resources for after care and providing comprehensive discharge planning services. All services will be provided in a manner and language appropriate to the age and comprehensive level of the clients and their families. All Clinicians are expected to function as active members of their teams. Qualifications: • Master's degree in Social Work or Clinical Counseling from an institution accredited by the Council on Social Work Education. • Maine State licensure to practice as a LCSW. • Bilingual skills with spoken English and Sign Language. • Maine State licensure to practice as a LADC and CADC as needed. • Knowledge of social work and counseling theories, therapies and techniques, as used in individual, family and group treatment, as well as principles of social welfare. • 2 or more years of related work experience in a health or mental health setting preferred; depending on client population to be serviced, desired work experience may vary. • Prior experience with clinical methods and techniques used in individual, family and group therapy as related to mental health and/or substance abuse issues. • Valid driver's license and reliable transportation if applicable. About Maine Behavioral Healthcare By bringing together some of Maine's most highly respected and well-established behavioral healthcare organizations, Maine Behavioral Healthcare has become a unified organization committed to providing the highest quality of care to our clients and patients. Our goal is to become Maine's first choice for integrated behavioral healthcare and a regional and national model for the future. With a service area covering the Greater Portland area and a large part of southern Maine, a career with Maine Behavioral Healthcare gives you the opportunity to live, work and play in one of the most beautiful areas of the country. Southern Maine offers natural beauty, four-season recreational opportunities and a wealth of historic and cultural attractions. Wherever you settle, you will have easy access to Maine's picturesque coast and sandy beaches, and its countless mountains, lakes and rivers. Portland itself was recently named the most livable city in America by Forbes Magazine. MaineHealth values diversity and is an Equal Opportunity/Affirmative Action employer. Federal and state laws prohibit discrimination in employment because of race, color, national origin, religion, age, sex, sexual orientation, disability or veteran status.

Licensed social worker who also is proficient in ASL. Her telephone number is 207 – 619 – 5747. Her email is kgile@mainebehavioralhealthcare.org
