Mental Health Counselor

Counseling Associates is looking for a Licensed Mental Health Counselor/Licensed Independent Social Worker to provide outpatient counseling services. We are a private, for-profit organization offering outpatient mental health counseling services to children, adolescents, adults and families. We are dedicated to offering high quality, effective, and evidence based mental health services to the tri-state area (Iowa, Illinois, Missouri), with two offices located in Keokuk and Fort Madison, Iowa. All areas of specialization will be considered for individuals prepared at the Master’s Level. The qualified applicant will be licensed in their respective field of study, or licensure eligible. In addition to providing outpatient counseling services, the qualified applicant will be able to perform a variety of outpatient duties including conducting mental health assessments, maintaining appropriate documentation, participation in interdisciplinary consultation, and must be able to develop appropriate professional working relationships with other area providers. Other necessary skills include knowledge in mental health performance standards, strong written and oral communication skills, and knowledge of evidence-based models of treatment. The qualified applicant will be willing to work with clients of all age ranges. Salary commensurate with experience. Training opportunities are provided.
