Outpatient Mental Health Clinician
Candeo Iowa
4/29/2019

Candeo is a mental health and disability services provider in the Des Moines metro area supporting individuals with Intellectual Disability, Brain Injury, and Chronic Mental Illness in being an integrated part of our community. We are also Iowa's only Victim Services Provider specializing in work with survivors with Intellectual/Developmental Disabilities and/or Chronic Mental Illness.

We are excited to expand our service offerings to include Clinical Mental Health services. Clinicians will provide individual, family, and group therapy to clients in their specialty area. We are especially looking to expand our clinical offering for individuals with Chronic Mental Illness and for survivors of crime and abuse who are affected by a disability as well.

Candeo is seeking a full or part time licensed clinician. Preference will be given to those with experience in supporting individuals with chronic mental illness and/or cognitive disabilities. All candidates must be comfortable assisting all Direct Support Professionals in building their direct support skills and use of evidence-based practices.

Join a team dedicated to improving the lives of people in our community. Candeo is focused on supporting individuals with disabilities, and others, to live full lives contributing to and improving the community. You can be a part of making the dream of a community empowered by the contribution of all a reality.
