PART TIME JOB OPPORTUNITY
FOR MENTAL HEALTH PROFESSIONAL

Position: eBridge Counselor

eBridge is an intervention for college students at elevated risk for suicidal behavior and suicide.

eBridge uses web-based screening and incorporates motivational interviewing and stigma-reduction strategies. Students who screen positive for elevated risk are provided with personalized feedback about their screening. They are also offered the option of corresponding online with a mental health professional.

Role of the eBridge Counselor:

The eBridge Counselor will be available to students online to review personalized feedback with them about self-reported depression, alcohol/substance use, and/or suicide ideation and behavior; and to facilitate increased readiness to seek help and explore services/treatment options.

Job Requirements of the eBridge Counselor:

1. Must be a licensed mental health professional with a master’s level or higher education and a minimum of three years’ experience working with young adults.

2. Must complete training provided by a member of the Motivational Interviewing Network of Trainers (MINT) and participate in ongoing supervision and consultation.

3. Must commit to at least 25% effort for a 6-month period that includes orientation, training, and follow-up meetings.
