Habilitation Home Counselor, Part-Time

Successful Living is a dynamic nonprofit social services agency that specializes in support services for individuals with chronic mental illness. Counselors work directly with their clients to live and interact in the community.

30 or fewer hours/week. Schedules can be flexible. Day, evening and weekends available.

HHC is responsible for working with residents to provide supportive interactions and hands-on skill building/training to enhance a client’s ability to accomplish their goals at home and in the community. Activity may include daily living skills, use of leisure time, socializing, budgeting, as well as other goals determined by the client and the client’s service team to increase their independence.

DUTIES: Work directly with clients in support of their goals and functioning.

- Assist Home Lead Counselor in organized function of the home and orderly procedures to facilitate positive environment for the residents and their neighbors.
- Document activities and interactions, generating accurate and timely case notes.

QUALIFICATIONS: High School graduation, or equivalent.

- Valid Driver’s License and proof of insurance, and a reliable vehicle are required. Background screening, including driving record, criminal background and dependent adult and child abuse must be successful.
- Interest in making a meaningful difference in other people’s lives is a plus.

Starting wage is $11.05/hour or higher (for shift), increasing after probationary period. Training is paid.

Diverse backgrounds, life experience, people skills and common sense are welcome!

If interested in having a positive impact, apply on line at icsuccess.org website, or email your cover letter and resume to Deb Watson: dwatson@icsuccess.org

********Successful Living pays a $50 BONUS on completion of the probationary period**********
