The Iowa Veteran’s Home is a 600 bed long-term care facility for veterans and their spouses operated by the State of Iowa with multiple levels of care, including secured memory units, nursing care and residential care. We are seeking a psychologist, LMHC, LMFT, or LISW who has an interest in geriatrics, cognitive impairment, and chronic mental illness. Doctoral and master’s level clinicians are eligible, but master’s level clinician’s must have two years of full time work experience. Individual counseling is an important aspect of the position, and common themes include loss of independence, coping with disability, and end of life issues. Experience with substance abuse treatment would be helpful. Candidates should be capable of working closely with multidisciplinary teams to develop behavior management plans and assist in managing complex family dynamics. 40 hours per week. Schedule is flexible. No night or weekend duties. Excellent benefit plan. Apply online at: https://das.iowa.gov/human-resources/state-employment or directly by June 19th, 2016 to:
