Employment Opportunity

**Position:** Full-Time Behavioral Health Therapist to provide outpatient mental health counseling services and crisis intervention services to a broad range of clients.

**Location:** Iowa openings are available in our Chariton, Osceola, and Leon locations. Missouri openings are available in our Princeton and Bethany locations.

**Required Qualifications:**
- Master’s degree in a behavioral health field from an accredited institution.
- Iowa or Missouri licensure in good standing (or license eligible) LISW, LMHC, LMSW, LMFT, LPC, LCSW.

**Experience:** All qualified applicants will be considered, including temporarily licensed and early career professionals. Preference will be given to those with independent licensure, relevant clinical experience, training in evidence-based practices, and willingness to work with the full age range of clients.

**Benefits:**
- Flexible work schedules (3, 4, or 5-day work week options).
- Competitive salary and a productivity-based incentive package for highly motivated employees.
- 80 hours paid vacation, 72 hours paid sick leave, and 7 paid holidays annually.
- Medical (BCBS) and dental/vison (Delta) coverage through the company’s employee benefit plan.
- Up to 4% match (dollor for dollar) for our 401k plan after 1 year of employment.
- Allocation of $1,000 CEU funding per year to pursue desired training.
- In-house professional development seminars offered throughout the year, with CEUs available.
- Supervision toward independent licensure is available at no cost to temporarily licensed employees.
- Sign-on bonuses are available for well-qualified applicants and those relocating to southern Iowa.
- Eligibility for the National Health Service Corps student loan repayment program.

**About CHCSI:**
Community Health Centers of Southern Iowa (CHCSI) is a Federally Qualified Health Center. Our growing interdisciplinary team of behavioral health providers consists of nearly 30 substance abuse counselors, therapists, social workers, psychologists, psychiatric nurse practitioners, and psychiatrists. CHCSI manages ten locations across south-central Iowa and north-central Missouri, including primary care sites and sites providing behavioral health and substance abuse services.

CHCSI is guided by our mission statement, "CHCSI will make high quality health care accessible to everyone in our region."
