POSITION: Therapist I or Therapist II  
DEPARTMENT: Clinical Residential - Ozanam  
Pay Grade: 5 / 6  
Salary: $34,058.47 - $51,087.70 / $37,731.44 - $58,483.73  
(Starting salary depends on education and experience)

RESPONSIBILITIES: The Therapist I-II position provides professional therapy services, including individual, group, and family in addition to crisis management as needed. This position works as part of a treatment team for the client. Diagnoses client’s problems by collecting and evaluating information about the client’s situation. Develops treatment plan by establishing treatment goals with the client, determining treatment methodologies. Advises client by suggesting and exploring resolutions and discussing progress toward goals. Obtains services by initiating referrals. Monitors progress toward treatment goals by evaluating and adjusting services provided. The Therapist I-II position assures quality service for clients by enforcing rules, regulations and legal requirements with clients, documenting events of the therapeutic process in a confidential manner. Maintains agency credibility by establishing working relationships with sponsoring, advisory, and related service agencies. Promotes the agency by ensuring an understanding of program services available for clients, publicizing activities and accomplishments and adhering to a professional code of ethics. Maintains professional and technical knowledge by participating in workshops, reviewing professional publications and establishing personal networks. Provides a clinical experience for interns by negotiating learning objectives, supervising practice and caseload management, teaching theory and its application, evaluating skills and personal and professional growth and ensuring identification with the profession. Contributes to team effort by consulting with other professionals, accomplishing related results as needed.

QUALIFICATIONS: This position requires a Master’s degree and professional licensure (e.g. LMSW, PLPC). One (1) to three (3) years of experience is required. Must pass background check, physical and drug screening. This position also requires a valid driver’s license and proof of current vehicle insurance.

BENEFITS: Cornerstones of Care offers full-time employees a competitive benefits package, including: medical/dental/vision coverage; prescription coverage; accident insurance; short-term disability; health savings account (HSA); flexible spending account (FSA); paid time off; and retirement (401K). Part-time employees are eligible to participate in the 401k.
