Job Description: Looking for a Clinical Therapist to provide diagnostic and treatment services to children, parents, and families. The Clinician is responsible for facilitating client/s growth by promoting skill building in the following areas but is not limited to social skills, communication skills, problem solving skills, conflict resolution skills, and interpersonal relationship skills. The clinician is also responsible for providing consultation services to other agencies and individuals as well as family mental health education services. The Clinician is aware of and understands the mental health needs of the client and collaborates with other agencies, providers, etc. to develop a treatment plan. Service Interventions are written and designed to match the mental health needs of the client. Specific services include Health and Behavior Intervention, Crisis intervention, Skill Development and Training, and Community Psychiatric Supportive Treatment.  

Experience and Education:  
Required:  
- Clinical Social Workers must hold a masters' degree or doctoral degree in Social Work from a school accredited by the Council on Social Work Education.  
- Must be licensed at the highest level in Iowa for independent practice.  
- Must have completed two (2) years of clinical practice, computed at 3,000 hours, post-master' degree experience  
- Willing to provide supervision for temporary license or to obtain an LISW  

If you have any additional questions, I can be reached via email or by phone at (515) 263-0019.  

Thanks,  

Cathy Perkins
