Therapist Opportunities

Join the Clinical Team at Orchard Place!

School-Based Therapist

- Provides treatment services for children and youth in the Des Moines Metro Area schools.
- Completes comprehensive clinical evaluations and on-going assessments to develop a treatment plan and provide individual and family therapy.
- Emphasis is on dealing with trauma and building resilience.

Residential Therapist

- Provides individual, family and group therapy within Orchard Place’s inpatient psychiatric program, serving children and adolescents ages 10—17 years.
- Develops comprehensive Individual Care Plan for each resident; coordinates team services; and attends court hearings, educational staffings and other activities as needed directly related to treatment.

Early Childhood Therapist

- Provides mental health diagnostic and treatment services to preschool aged children (ages 0-8) and parents seen in community settings.
- Develops and carries out specific mental health treatment plan consistent with assisting children and parents in meeting case plan goals.
- Provides referral and follow-up for children and families needing community services.

Successful candidates will have:

- Master's degree and licensure in Iowa as an LMSW, LMHC-TL or LMFT-TL or independent licensure in Iowa as an LISW, LMHC or LMFT
- Experience working with children, youth and families
- Excellent communication, interpersonal and assessment skills and the ability to handle multiple responsibilities
